Complaint under Bivens

Saddam Samaan Daoud Samaan # 20899-041

v.

Warden Gene Beasley and all staff  
members at Allenwood FCI who is responsible  
for my segregation without any reason,  
whether disciplinary or administrative.

Statement of Facts

On January 2nd of 2019, I was attacked  
by a Group of people, which lead  
to charges and immediate segregation

While investigation is pending.

After the investigation was concluded

I was charged but the DHO

expunged my charges after he

concluded that I wasn't suppose

to be charge with any of the  
alleged charges.

The SIS Team decided to transfer

me to a different prison. I have been

designated for almost "80" days.

Up to this day I haven't been transferred

or received any explanation on the reasons

of my Segregation.

I have exhausted all the administrative remedies. But without any positive outcome or at least to direct me to speak to the person in charge.

I even wrote to the regional office and still without any success up to this day.

My Segregation is nothing but a violation of my civil rights

It's nothing but an arbitrary decision that has no reasons but the hate of

The Superiors.

The Court was my last choice and I tried to avoid it but nothing is possible in this prison, the entire staff members are careless from the lowest rank to the highest

respectfully submitted.
